8 TEAM DIVISION CHAMPIONSHIP FORMAT: Each team is guaranteed to play three games in the tournament. The division with (8) teams will be placed into groups of four teams each (Groups A & B) for the round robin preliminary round. Group A with four teams will play each other once. After three games are played, the team with the best record/tie breaker advances to the Championship Game at MSG on Tuesday, July 14. Similarly, Group B with four teams will play each other once. After three games are played, the team with the best record/tie breaker advances to the Championship Game at MSG as the second team. Note: Teams were placed into their respective groups based on a random selection using the lotto system.

Tie breaking procedure: winner of the head-to-head competition between the two teams tied; the total point differential of the teams tied against each other; total point differential of all games played; total points scored; and coin flip further breaks all ties.   A maximum point differential of no more than 25 points will be used for the tie-breaker. Blowouts are not encouraged.
