TEN TEAM DIVISION CHAMPIONSHIP FORMAT: Each team is guaranteed to play three games in the tournament. The division with (10) teams will be placed into one group of four teams (Groups A) and two groups of three teams each (Groups B & C) for the round robin preliminary round. Teams were placed into their respective groups based on a random selection using the lotto system to give every team the same chance to advance to MSG Championship Game. Group A with four teams will play each other once. After three games are played, the team with the best record/tie breaker advances to the Championship game at MSG. After playing the two prelim games, the top team in Group B & C determined by won-loss record/tie breaker will play a 3rd game to determine the second team that advances to the MSG Championship game. To satisfy the three game requirements: 2nd place B plays 2nd place C and 3rd place B plays 3rd place C.

Tie breaking procedure: winner of the head-to-head competition between the two teams tied; the total point differential of the teams tied against each other; total point differential of all games played; total points scored; and coin flip further breaks all ties. Note: A maximum point differential of no more than 25 points will be used for the tie-breaker.
